

The only kind of butt we want to see hitting the slopes this winter.

If you smoke, always carry & use a No Butts personal ashtray.

Cigarette butts ARE litter. They are poisonous to the environment and take 4-15 years to break down.

Please help protect our beautiful resort.

Pick up your free Personal Ashtray from Resort Management & Staff. Mini-Butts are also available at ski lift departure points.

Call: 1300-NOBUTTS

The Butts Stop Here.
