

The only kind of butts we want to see on this tour.

...If you smoke, please carry & use one of our No Butts personal ashtrays.

Cigarette butts ARE litter. They are poisonous to the environment and take 4-15 years to break down.

You can be fined \$600 if you are caught tossing away your cigarette butt, and up to \$4,000 if it goes to court.

Ask your pilot for a free Personal Ashtray!

The world is not your ashtray.
