

The only kind of butts we want to see around Port Arthur.

For your convenience and to protect our environment Eco-Pole Ashtrays are located at all entrances, carpark and outdoor smoking areas. Please use them.

If you're a smoker, help us keep Australia beautiful and use our No Butts 'Mini-Butts' Personal Ashtrays wherever your travels take you.

Cigarette butts ARE litter. They are poisonous to the environment and take 4-15 years to break down.

Please help protect Port Arthur from Butt Litter

Get your Mini-Butts Personal Ashtrays from the Souvenir Shop.

Call: 1300-NOBUTTS

The Butts Stop Here.
